NGIatlantic.eu,
in a nutshell

“Bridging EU-US research on Next Generation Internet”

The Twinning Lab

ngiatlantic.eu/twinning-lab

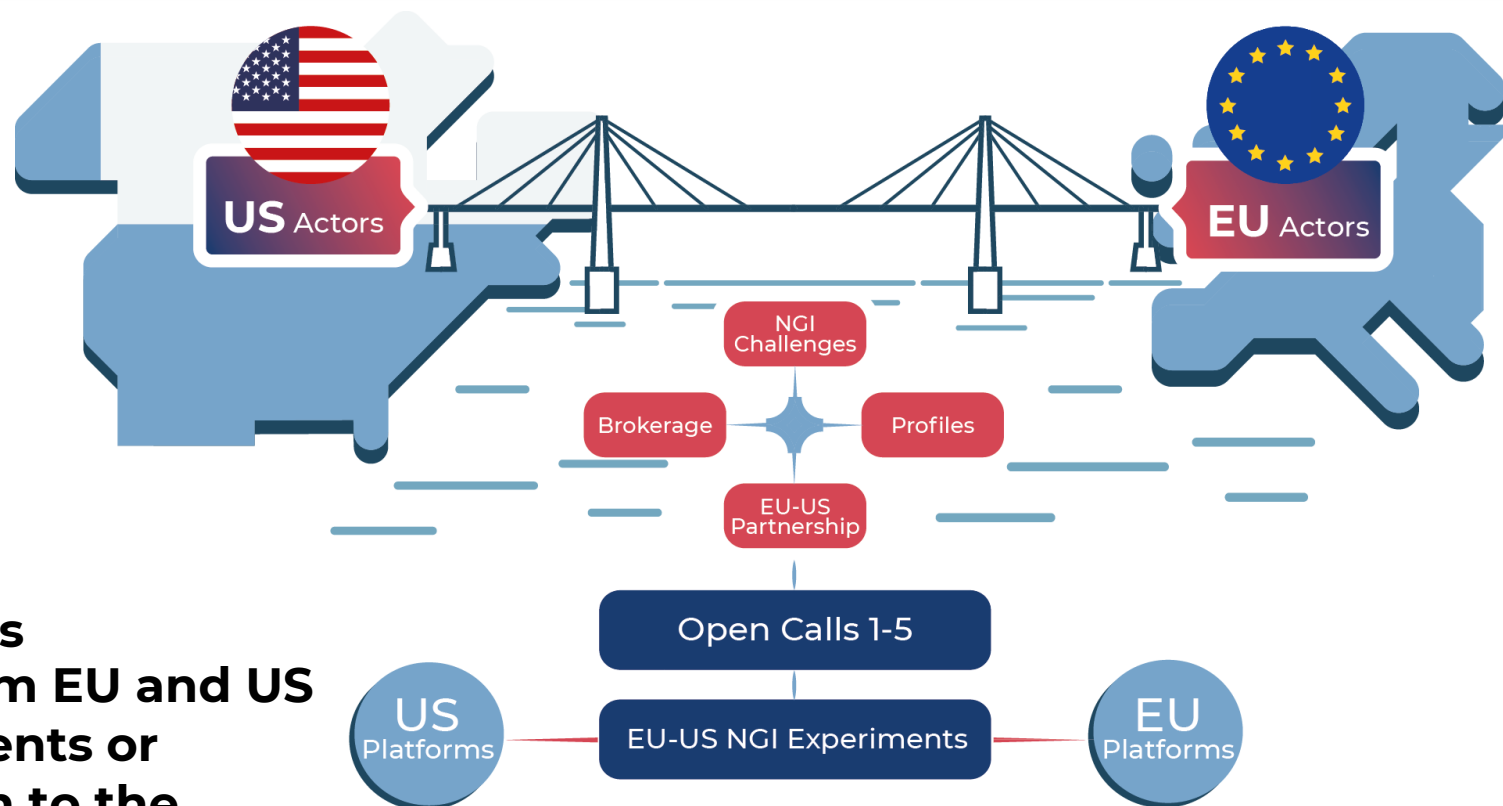

In this space, researchers, innovators and start-ups can discover and connect with transatlantic actors and establish complementary partnerships in addressing NGI challenges across a number of topics

Join the Twinning Lab

- ✓ **Look at the existing experiments**
- ✓ **Get in contact with partners from EU and US**
- ✓ **Develop plans for joint experiments or demonstrators and submit them to the [NGIatlantic.eu](https://ngiatlantic.eu) open calls**

3 – 18.02.2020

Open Call for External Evaluators

NGIatlantic.eu aims to set up an External Pool of Evaluators (EPE) of 50+ members to support the review process of the proposals received from the various Open Calls

- ✓ **Strong expertise in NGI topics of the NGIatlantic.eu Open Calls**
- ✓ **Active involvement in NGI-related efforts over the past 12-18 months;**
- ✓ **Active engagement in NGI events is a plus.**

APPLY TO BECOME AN EXTERNAL EVALUATOR

ngiatlantic.eu/evaluators
